

Assistant to DD/I (Adm.)

28 through 31 July 1953

1. Attended the Professional Selection Panel meeting at which discussion was continued on the revised policy and procedure under which employees would be reviewed as to their suitability for the Career Staff at the duration of the probationary period. Basically, the plan will provide for recommendation by the supervisor and the Office Career Service Board to be reviewed by an interviewing panel representing the CIA Professional Selection Board. The latter will be representative of the 5 major components and will replace the present Professional Selection Panel. Under the new arrangements, the Panel is no longer concerned with a review of individuals prior to entrance on duty.

Further consideration of the proposal is planned at the next meeting prior to referral of the plan to the Career Service Board.

3. Action was instituted with Personnel to request the appointment of [ ] as a consultant to DD/I and [ ] proceeding to expedite the security clearance.
